To

Ms. Sonal Sati, Technical Director,
National Scholarship Portal Office,
National Informatics Centre (NIC), New Delhi
Subject: - Request to extend the date on National Scholarship Portal (NSP) for the year 2023-2024.

Madam,

On the above mentioned subject, it is brought to your kind notice that some students have left to submit scholarship applications online on NSP. The Biometric Authentication process is still going on in the state hence, portal for registration of students and verification of scholarship applications online on NSP is required to be kept open.

In view of aforesaid, you are, therefore, requested to extend the dates for online filling up of scholarship applications on NSP under various centrally and State sponsored scholarship schemes in the current Academic Session 2023-2024, so that eligible students may not be deprived from the benefits of scholarship. The revised schedule for filling up the online scholarship forms and verification thereof is as under:-

Extended dates for student's registration on NSP Portal for the session 2023-24 in all schemes.	16-01-2024
Closing dates for First Level verification (L-1)	30-01-2024
Closing dates for Second Level verification (L-2)	31-01-2024
