	Introduction	

**Govt. Government College, Dhaliara  
Tehsil Dehra District Kangra (HP)-176028**

**Greetings**

**Ladies & Gentlemen, a very Good Morning to all of you !**

**Sh. Bikram Singh Thakur**

Dashing and dynamic Cabinet Minister Govt. of Himachal Pradesh is our Chief Guest of the day. On the occasion of Annual Prize Distribution Function I welcome you on behalf of the teachers, the official staff, the C.S.C.A., the students and the P.T.A. We are indebted by your presence and it gives us pleasure. I also welcome all distinguished persons, media representatives and enlightened citizens present in this function.

Dear Sir, the present day is important to the students, especially the prize winners. On this day they are rewarded for their academic, sports, cultural and extra-curricular activities. All these activities are conducted in an Institution for their all around development with the purpose to inculcate in the students the respect for democratic values, free discussion, and impartial inquiry. These instill in them a toleration of divergent opinions and wean them from narrow mindedness. In the institution we try to impart to the pupils a sense of appreciation for truth, goodness and beauty and we sincerely believe that these will make them responsible citizens. For all this when a student receives a prize from the hand of the Chief Guest it gives him courage, confidence and inspiration and this is simply unforgettable for him.

6. The construction of boundary wall, badminton and Basket Ball Courts are required to be done;

7. Filling of vacant posts of teachers in the subjects of English, Hindi, History, Music, Physical Education, Geography, Computer Applications, Sociology and Philosophy is needed;
8. Staff quarters and students Hostels are required to be constructed in future;
9. Since the student strength has increased manifold during the session and the college is being run in old building there is a sore need of a proper principal office, staff office, staff room, girls common room, sports room, NSS room, Store room etc in the college;
10. More lecture rooms and a proper library are urgently needed in the college.

Ladies and gentlemen, as I conclude I should very much like to put on record our heartfelt gratitude to the Chief Guest for the day, Sh. Bikram Singh Thakur, who, after putting in more than thirty years of service as Vice-Chairman, Twice as MLA and now as Cabinet Minister in the Govt. of Himachal Pradesh continues to inspire sections of society who even remotely come in his contact. He won a hardfought contest but at present he enjoys a flood of popular grass root support. Incredible reputation as a politician combined with commitment, integrity and open mindedness have always found him adoring admirers and his victory is greeted with an unusual degree of enthusiasm and excitement not just in Jaswan and Dehra subdivision but around the whole state, I personally thank him for sparing time to bless our students and give away the prizes. His presence is a great source of inspiration and confidence building not only to the students but also to the teachers and staff as well. I also owe personal thanks to my colleagues both teaching and non-teaching, my students, members of parents teachers association and members of the CSCA. I also extend my gratitude to the Pradhan and other elected members of the Local Panchayat and governance, Civil & Police Administration, higher authorities of Department of Education and HP University and the citizens of Dhaliara. My special thanks are due to the Media representatives on this occasion.

### **Be The Best Of Whatever You Are!**

*If you can't be a pine on the top of the hill,  
Be a scrap in the valley -- but be,  
The best little scrub by the side of the rill;  
Be a bush, if you can't be a tree.  
If you can't be a bush, be a bit of the grass,  
And some highway happier make;  
If you can't be muskie, then just be a bass --  
But the liveliest bass in the lake!*

*We can't all be captain, we've got to be crew,  
There's something for all of us here.  
There is a big work to do and there's lesser to do  
And the task we must do is the near.  
If you can't be a highway, then just be a trail,  
If you can't be the sun, be a star;  
It isn't by size that you win or you fail --  
Be the best of whatever you are!*
